

# VALISHETTI SINDHU

7660942022 | sindhuvalisheti24@gmail.com

## OBJECTIVE

A highly motivated Computer Science and Engineering (Information Technology) student with strong skills in programming, data structures, and algorithms. Passionate about software development and eager to apply academic knowledge in real-world projects. Seeking opportunities to learn, contribute, and grow while working with industry professionals.

## SKILLS

**Programming languages known:** Python, C, Java.

**Scripting languages known:** HTML, CSS.

**Databases:** MySQL.

**Tools & Technologies known:** Android Studio.

## PROJECT

### Monuments of Bharat

An interactive web platform showcasing India's monuments state-wise with search and map-based discovery. Enhanced with AI-powered chatbot, multilingual translation, 360° virtual tours, sentiment analysis of reviews, personalized recommendations, and text-to-speech support, it provides an engaging and immersive heritage experience. Built using PHP, MySQL, HTML, CSS, JavaScript, and AI/ML integrations.

### Employee Management System

A desktop application for managing employee records in medium-scale organizations. It includes secure login, CRUD operations, search by ID, printing, and removal. Integrated with a database, it is built using Java, AWT, and Swing.

## EDUCATION

### Bachelor of Engineering in Information Technology

Nov 2022 - Present

Maturi Venkata Subba Rao Engineering College CGPA - 7.07

### Intermediate

2020-2022

Sri Gayatri junior College

Percentage - 80%

### SSC

2019-2020

Word and Deed High School

GPA - 10

## CERTIFICATIONS

- Certificate of Virtual Internship in Java by Slash Mark
- Completed Python certification from Cisco Networking Academy.

## SOFT SKILLS

- Teamwork
- Adaptability
